

Composite Fire FD30 Thresholds

The threshold is the bottom part of your door that you will step over. There are two options:

TIP Check information available for sills and add-ons to assist you further.

	<p>Low Ramp</p> <p>This option is not available with a separate sill.</p>
	<p>Low PVC</p> <p>The 'low stub' option can be used with, or without a sill.</p>
